

REFLECTION – Daily Emotional Awareness

Every evening, complete these two prompts:

- “How did I make my teen feel today?”
- “What will I do differently tomorrow?”

Rate yourself: Calm | Neutral | Irritated | Present | Encouraging.

Goal: Notice patterns, not perfection.

REALIGNMENT – Family Core Values

Hold a 30-minute family circle. Ask:

“What three values do we want to guide our decisions?”

Write them below and define each together.

1.

2.

3.

For each value, make one practical “If–Then” guide.

Example:

“If we argue – We pause before replying.”

“If someone feels hurt – We talk before sleeping.”

RITUAL – Weekly Connection Builders

Pick three to begin:

- Tech-free family dinner
- Parent-teen walk or chai talk
- Sunday gratitude circle
- Open Mic evening

Add checkboxes to track progress weekly.

Reflect monthly: Which rituals felt most natural? Which need adjustment?

ROADMAP TRACKER – Month in Review

Weekly reflections:

- Week 1: What went well?
- Week 2: What shifted in tone or connection?
- Week 3: What value did we live best?
- Week 4: What habit do we want to sustain?

End of Month Reflection:

“This month, our family grew closer because...”
